President's Message

February is Installation

time for our club and I hope you will plan to attend and support our new 2010 officers. This is our 59th year being a charter club and your support has kept us active.

We have had a great year and I want to thank all members for making this a great year. We had guest speakers during the year which I hope you have found to be informative. The 4th of July parade was the largest to date to include all Masonic bodies in Fairborn.

Special thanks goes out to all my officers and committee members who worked on promoting the Shrine Circus, sale of Vidalia Onions, 4th of July parade, and fund raising for the 22 Shrine Children's Hospital's.

Lady Wanda and I are very appreciating of your support this year as we have worked hard to make your visit with us monthly a rewarding night out. We are very proud of the friends that we have made over the past few years and look forward to continuing our participation.

My Lady Wanda and I will see you at the meeting.

Richard

President's Message

We were snowed out for our January meeting

which reminds us who is truly in charge of things, the Great Architect of the Universe. Ultimately, everything we do should be to serve Him. I am working on lining up meeting programs which have a broad age range appeal.

If we intend to attract younger guys to become Nobles, it helps to have programs which pique their interests. We

have a dynamic Potentate Tom Schoff which creates a highly positive culture. The last couple years we have seen a growth in attendance, which we hope will continue. Such patterns seem to be contagious. Let's keep it up!

I attended last month's Installation at Antioch Shrine for 2010 Divan, club and units members. The other members of our club will be installed this month.

New Calendars and Antioch Lapel Pins designed by 2010 Potentate Tom Schoff will be available for our members at our February meeting.

See you at the meeting.

Steve

Our Guest Speaker will be Noble Bill Sap from

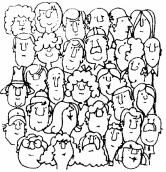

2

the Antioch Directors Staff who will be providing information concerning the 2010 Shrine Circus on April 23, 24, and 25 at UD Arena. We ask for your continued support for this fun filled circus which benefits Antioch Shrine to operate throughout the year.

Vidalia Onion sales will also be going on during the same time that the circus is taking place. This is one of the few ways our club can make money while supporting Antioch Shrine Center.

Increase of our meal cost has arrived and like all businesses it is a fact of life to stay in business. We are very fortunate to have such a nice place with great food and the best hostess to make our meeting a great one.
