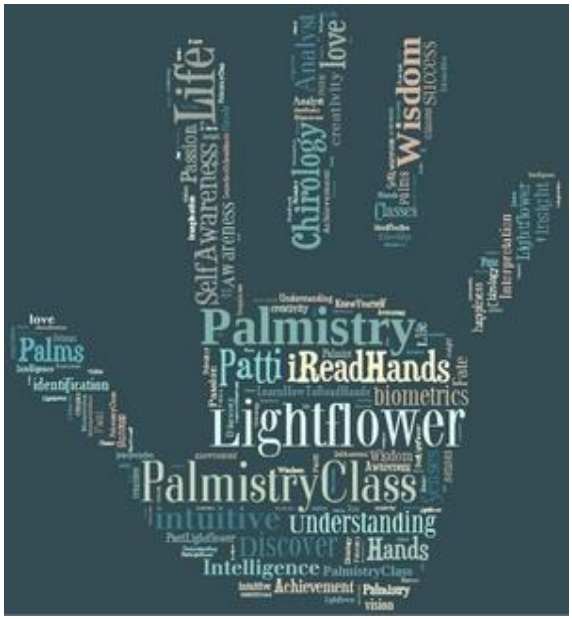
Antioch Ladies program ... Monday, October 30th

@ Antioch (Lower level)



Palm-Reading…

Come on down to Antioch with your noble on Monday, October 30th and as they work on their Leadership skills, you can enjoy learning about the art of palm-reading and perhaps find out some insights about yourself that you didn't know before.

Call Pam Kraska in the office (937-461-4740) so we know how many people will be participating. ☺

According to Patti Lightflower, our Palmist…

Having your hands analyzed will give you insight into your life path and feed that hunger for self-understanding, supplying food for thought to questions such as: "Who am I?", "Why am I here?", "What is my purpose?" It is a confirmation for knowing, that in many ways, you are who you are, not only from life experiences, but even from long before you were born. It is helpful to see yourself for who you really are, as you are, singled out from all the projections reflected at you from outside yourself. Nourish your soul and get to know yourself.

Knowing yourself is a key to your personal growth and success.

Individual Palm Readings or Individual Tarot Card readings can be done after the group presentation for a nominal fee of $20.
