

Potentate's Pin

To honor my father who was a Shrine clown and the proud Legacy of carrying on that tradition of entertaining for 38 years, it was only natural to have a clown on my pin. The little clown named 'Klinker' was born on paper by me many years ago and he now uses his magic wand to wave over my Potentate's Fez to ***MAKE MAGIC HAPPEN!***

I hope you enjoy this little character as much as I have presenting him to you!

First Lady Susan's Pin

As a Teacher my life's work is kids. It was only natural to have kids represented on my pin. At school I push my kids to work together to come up with solutions and help one another to better understand.

If you know Bret and I, you know that we do things together. This adventure has been no different. Because Bret and I do so much together it only seemed fitting that our pins also fit together. They can stand alone, but together they make a powerful statement.

Together We Can, Make Magic Happen!
